

Essay #2

All courageous persons that have sacrificed their own well being to help the American people are American heroes.

All members of the category Edward Snowden, the man responsible for leaking the U.S. mass surveillance programs to the public, are persons that have sacrificed their own well being to help the American people.

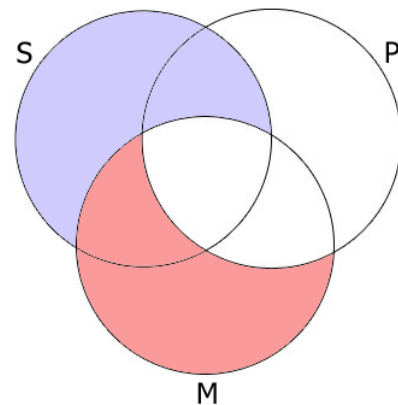

Therefore, all members of the category Edward Snowden, the man responsible for leaking the U.S. mass surveillance programs to the public, are members of the category of American heroes.

Figure and Mood: **BARBARA, AAA-1**

P = Major term = American heroes

S = Minor term = Edward Snowden, the man responsible for leaking the U.S. mass surveillance programs to the public

M = Middle term = courageous persons that have sacrificed their own well being to help the American people

No American heroes are traitors to the American government.

All members of the category Edward Snowden, the man responsible for leaking the U.S. mass surveillance programs to the public, are traitors to the American government.

Therefore, no members of the category Edward Snowden, the man responsible for leaking the U.S. mass surveillance programs to the public, are members of the category of American heroes.

Figure and Mood: **CESARE, EAE-2**

P = Major term = American heroes

S = Minor term = Edward Snowden, the man responsible for leaking the U.S. mass surveillance programs to the public
